

-Gold'N-

# Purina® Gold'N Layena® Plus

Textured

Complete source of premium nutrition with plant-based protein ingredients to support egg production.

## NOW with FlockForce™ Healthy Flock Support.

Our unique ingredient mix helps maintain a healthy gut to support the absorption of nutrients, while optimizing your flock's health, immune system, and performance.

## FEATURES & BENEFITS

Made with carefully sourced ingredients along with vitamins, organic trace minerals, essential oils, and amino acids so your flock can flourish.

Postbiotic and prebiotic support gut health, optimizing digestion and nutrient absorption for better performance.

Higher nutrient absorption to promote healthy egg weight and size.

Golden egg yolks from natural pigmentation extract.

Organic trace minerals and Vitamin D<sub>3</sub> promote calcium absorption and strong eggshells.

*Yucca Schidigera* extract aids in the control of manure odour.

## FEEDING DIRECTIONS

Start your chicks on Gold'N Chick Start & Grow Plus until 16 weeks of age, **then feed Gold'N Layena Plus beginning at 16 weeks of age or the onset of lay.**

- Don't let feeders run empty.
- Clean feeders and waterers regularly.
- Provide fresh, clean water at all times.

### IMPORTANT

Follow sound management practices along with disease and sanitation control measures. If there are any questions, contact your veterinarian, Purina dealer or sales representative.

### CAUTION

1. Directions for use must be carefully followed.
2. Feed is perishable. Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, abortion, or death.

### DISCLAIMER OF LIABILITY

Individual results from use of this product may vary based upon differences in customers' programs of management, health, sanitation, breeding, genetics and feeding. Therefore, Cargill Limited and its Dealers do not warrant or guarantee individual results.
